A FEW REMINDERS

If you decide to wear the MOTB uniform, please wear the polo shirt tucked into black slacks. Docents, please continue to wear the polo shirt for guided tours. There may be times we may ask you to wear the maroon polo shirt for a special event or other circumstance, but unless otherwise noted, you may wear business casual attire. If you aren't sure what to wear, please ask.

Please keep your cells away until breaktime. Our priority is serving the guest, and we want them to know that we are here to help them. If a guest needs help looking something up, please direct them to Admissions or check any of the binders at the Information Desk to help the guest.

Please let us know if you need a break, especially if you are helping with an event, at the information desk, or serving as entrance greeter. It is important to have a volunteer or staff person remain in certain areas to ensure each guest has a great experience whether that is just seeing a welcoming face directing them to different locations. We don't want anyone getting lost. 😊

ENTRANCE GREETER

In addition to the grand hall float position, a new volunteer position was added to [My Impact Page](#).

In this volunteer role, you will be engaging guests as soon as they step through the entrance. Make an impactful encounter with guests so they are excited to start their journey through the museum. This role is critical in helping people find their way and prevents the entrance area from getting too crowded.

Fire Drills & Emergency Evacuation

Join us this week, 24-30 October, during the daily Guest Relations morning meeting at 8:15 AM to review fire and emergency evacuation. We will do a mini-training session on what to do and where to go during an emergency.

In the event of an emergency, it is never your responsibility to make people evacuate the building. Get yourself to safety. Tri-Corp officers will ensure that floors are cleared in an emergency situation.

The assembly area is on C St, SW - on the other side of the Switzer Building. When exiting the museum, head north towards the National Mall and meet one block north of the museum, between 3rd St and 4th St SW.
